

**COAL CITY PUBLIC LIBRARY DISTRICT
CIRCULATION POLICY**

**APPROVED BY
THE BOARD OF TRUSTEES**

**REVISED
DECEMBER 8, 2015**

CIRCULATION POLICY

The primary purpose of the Coal City Public Library District is to provide library services to the residents of the district and library card holders.

BORROWERS

- 1) Resident borrower: Any resident of the Coal City Public Library District may obtain a library card by completing an application card and furnishing proof of current residency with a photo ID (a current driver's license is preferred). If no proof of residency is available, a borrower will be allowed to check out two items and their library card will be mailed. Anyone under 18 must have a patron over the age of 18 who becomes a legal signatory and assumes legal responsibility for lost and overdue items come to the library to sign the application.

A resident card is valid for three years. Since the Coal City Public Library District is a member of the Reaching Across Illinois Library System (RAILS), a resident borrower has the privilege to check out materials from other libraries in the surrounding area and return the items to the Coal City Public Library District. Books and other materials not shelved at the Coal City Public Library District may be borrowed through RAILS, making most books in print and other materials available to the library patron.

- 2) Nonresident borrower: Any person not a resident of the Coal City Public Library District may obtain a borrower's card by completing an application card and contracting for service. The contract fee (see page 2) covers all family members residing at the address on the application card. Anyone under 18 must have a patron over the age of 18 who becomes a legal signatory and assumes legal responsibility for lost and overdue items. The legal signatory must come to the library to sign the application. A nonresident contract is valid for one year from the date of purchase. Nonresident contract fees will be reviewed annually by the board of trustees and will be in effect on July 1st of each year.

- 3) Reciprocal borrower: Any person holding a valid borrower's card from a library participating in the Illinois Reciprocal Borrowing Program may be granted reciprocal borrowing privileges. Patrons of offline libraries will be required to complete an application card. Staff will try to verify the applicant is in good standing with their home library. The following limitations apply to all reciprocal borrowers:
 - a) Reciprocal borrowers may not check out items if they have fines in excess of \$5.00.
 - b) Reciprocal borrowers may register for Storytimes that are not filled by patrons with Coal City Public Library District privileges. Reciprocal borrowers will pay \$25.00 per series of classes for each child registered.
 - c) Reciprocal borrowers may participate in Summer Reading Fun with a registration fee of \$40.00 per child.
- 4) Nonresidents, not entitled to library privileges at their current address, must present a current real estate tax receipt for property within the Coal City Library District to receive one nonresident card without charge.
- 5) Teachers employed by Coal City Community District No. 1 may use their school's library card to borrow materials for the classroom and professional purposes.

NON-RESIDENT CONTRACT FEES PROCEDURE

- 1) In compliance with the guidelines set forth by the Illinois State Library, the non-resident contract fees shall be calculated using the tax bill method, however a **minimum fee applies**. The minimum fee is \$87.00. The cost of the contract is based on the median home value in the Coal City Public Library District and the library's current tax multiplier. Cost is computed by multiplying the current year median home value by the library's current tax rate.

- 2) Non-resident taxpayers must bring in a copy of their current real estate tax bill. The contract cost is computed by multiplying the current year taxable value by the current library tax rate. If the computed cost is less than the minimum fee, the minimum cost applies.
- 3) Non-resident renters must bring in a copy of their current lease or rent receipt. The contract cost is 15 percent of the monthly rent. If the computed cost is less than the minimum fee, the minimum cost applies.
- 4) For tax-exempt housing or nonresidents that can't provide a real estate tax bill or rent receipt the contract cost is based on the state library's general formula. The library's tax income is divided by the library district population to determine the cost per capita. The per capita figure is then multiplied by the average number of persons in a household in the district. If the computed cost is less than the minimum fee, the minimum cost applies.
- 5) Non-resident cards expire one year after the date of purchase. The expiration date is printed on the card.

CONFIDENTIALITY OF LIBRARY RECORD

Circulation records and other records identifying the names of library users with specific materials are recognized as confidential in nature, and access to such records is restricted to library staff, legal signatory and members of the public who have a legitimate interest in regard to these records as follows:

1. By signing the application for a library card, the legal signatory is authorizing the underage cardholder to check out materials. The legal signatory is responsible for all materials checked out and therefore is entitled to this information.
2. All library staff are advised that such records shall not be made available to members of the public, the press, or to any agency of state, federal, or local government, unless they have been requested to do so by order, subpoena or other

process authorized under federal, state or local law.

3. On receipt of any legal process, order or subpoena, the library director will attempt to contact the library attorney to insure that the document is in proper legal form and there has been a good cause for its issuance in a court or other body of legal jurisdiction. The library shall comply with all lawfully issued subpoenas. The librarian in charge will follow instructions as issued by the library attorney.

Emergency Release of Information Identifying Individuals Pursuant to Public Act 95-0040

The *Illinois Library Records Confidentiality Act* requires a court order before a library may publicly release information contained in library registration or circulation records. Public Act 95-0040 created an exception to the requirement for a court order if ALL of the following conditions are met:

1. The information is requested by a sworn law enforcement officer who states that it is impractical to get a court order as a result of an emergency situation;
2. The law enforcement officer states that there is a probable cause to believe that there is imminent danger that someone will be physically harmed;
3. The information requested is limited to only identifying a suspect, witness or victim of a crime; and
4. The information does not include any registration or circulation records that would indicate materials borrowed, resources reviewed, or services used at the library.

The Public Act 95-0040 also provides that the library can request the law enforcement officer to sign a form acknowledging the receipt of the information. A representative from the library will have the law enforcement officer fill out the Officer's Request for Confidential Library Information (see Appendix A).
