LIBRARY PARKING LOT POLICY*

The use of the Library's parking lot is limited to those who are visiting the library to use library services. Using the parking lot in ways unrelated to this purpose is prohibited, unless authorized in advance by the executive director.

Unauthorized persons in the parking lot in a period when the lot is closed will be required to leave the premises immediately and may be reported to the police for possible trespass violation.

Vehicles parked in violation of the policy are subject to towing. Violators must pay any and all costs and expenses of towing.

Members and visitors of the New Hope Presbyterian Church have permission to use the library parking facilities for any church services. This was agreed upon when the Coal City Public Library District purchased the land for the library from the New Hope Presbyterian Church.
