BOARD OF TRUSTEES POLICY

COMMITTEES

ACCOUNTABILITY

Committees are a subsidiary of the Board, and will be expected to report their work to the Board on a regular basis.

The Library Board will annually review the work of each committee and determine which committees will be reappointed and which committees will be abandoned as no longer necessary.

APPOINTMENT OF COMMITTEES

Trustees will actively serve on at least one committee. The President of the Board will appoint the chairperson of each committee and all committee members, taking into consideration the preference of the Trustees for committee assignment. Trustees will be polled as to their committee preference.

AUTHORITY

Any committee established by the Board will have only the powers specifically delegated to it by the Board. Functions of each committee will be in writing as part of Board policy or recorded in the minutes of the meeting at which the committee was established.

COMMITTEE MEETINGS

The committee chairperson will convene all meetings of the committee or a majority of the committee members may call a committee meeting. Meeting dates will be coordinated with the Library Director to avoid conflict and to ensure completion of staff support and research for the committee.

Minutes will be kept of committee meetings.

Each committee will be expected to make recommendations to the Board for action. Recommendations should be made by a member of the committee in the form of a motion at a Board meeting.

Committee meetings can be rescheduled up to 48 hours before the meeting takes place or cancelled due to lack of quorum or Library closings.

DUTIES OF COMMITTEE MEMBERS

Duties of the members of individual Board committees will vary, but certain basic committee member responsibilities remain the same for all committees. Those responsibilities include:

1. Attend all meetings of the committee to which the Trustee is assigned.
2. Prepare for committee meetings by studying the agenda and researching issues to be discussed at committee meetings.
3. Actively participate in discussions at committee meetings.
4. Follow through promptly on any assignments for the committee.
5. Support committee recommendations before the Board.

EX OFFICIO COMMITTEE MEMBER

The President of the Board will be an ex-officio member of all committees except a nominating committee, if used. The president has the right to attend committee meetings and discuss issues. The president isn't required to do an equal share of the work. The Library Director or the Library Director's delegated representative will be a nonvoting member of all committees and function as a resource to the committee.

GUIDELINES FOR THE COMMITTEE CHAIRPERSON

The committee chairperson will be expected to lead the committee just as the Board President is expected to lead the Board. The committee chairperson is accountable for ensuring the productivity of the committee by:

1. Planning the agenda for the committee meetings.
2. Ensuring that all members of the committee are notified of committee meetings.

3. Convening committee meetings, and keeping meetings on track.
4. Keeping a written record of committee actions.
5. Encouraging the committee to take action on the issues discussed by the committee.
6. Ensuring that reports and recommendations for action from the committee are presented to the Board.
7. Contacting the Board President or Library Director to have committee issues/reports placed on the agenda prior to agenda deadline.
8. Auditing and verifying that all committee minutes, created during their chairpersonship, are signed, approved, and filed correctly before committees are reappointed. Any discrepancies found will be brought to the Board's attention.

KINDS OF COMMITTEES

Although committees can have countless names, they all fall into one of two categories, standing or special.

STANDING COMMITTEES

A standing committee exists from one year to the next, and is typically charged with a continuing function. The standing committees of the Coal City Public Library District are as follows:

1. **Budget:** The Budget Committee works with the Library director to develop a plan for the coordination of revenue and expenditures for the Library's fiscal year.
2. **Policy:** The Policy Committee works with the Library director to develop and revise written principles for guiding Trustees and Library staff in providing a full range of Library service to the community.
3. **Building and Grounds:** The Building and Grounds Committee works with the Library Director to increase the useful life of the building and its

systems, ensure the safety of Library patrons and capital equipment, ensure sanitary conditions and maintain an attractive appearance without impeding the service priorities of the Library.

4. **Bylaws:** The Bylaws Committee works with the Library Director to develop and revise a set of rules that define the structure and function of the Board and its operational procedures.
5. **Executive:** The Executive Committee consists of the officers of the Board. Its only purpose is to advise the Board President, when needed. This committee does not meet regularly.

SPECIAL COMMITTEES

A special committee is formed to perform a specific task. It comes together, performs the task, gives its final report, and then ceases to exist. The special or ad hoc committees of the Coal City Public Library District are as follows:

1. **Strategic Planning:** The Strategic Planning Committee works with the Library Director to develop a strategic plan that assures the services and activities reflect the Library's mission, set priorities, show measureable progress and provide a strong foundation for decision making.
2. **Any committee as needed.**

PURPOSE

It will be the purpose of any committee appointed by the Board to assist the Trustees to govern more efficiently. A Board committee is not designed to do staff work. Committees will be used to investigate, deliberate and analyze special issues on behalf of the Board.

COMMUNICATION

BOARD CALENDAR

At its organizational meeting, the Board will determine the regular meeting dates, time and place for the next year.

Regular meetings of the Board will be held monthly. The Board will make every effort to maintain those dates as Board meeting dates.

BOARD CORRESPONDENCE

The Trustees or the Board President will approve correspondence from the Board. Except for reports which are legally required to be sent out with the secretary's or treasurer's name, all correspondence from the Board will use the Board President's or Secretary's name and will be on Library stationery. Use of Library stationery will be limited to official Library business only. Copies of all communication sent on Library stationery must be provided to all Trustees.

BOARD DIRECTORY

After election, Trustees provide their mailing address, and phone numbers to the Library Director. This information is kept on file for use in Board communications and updated by the Trustee, when necessary, so the file remains current at all times.

EMAIL COMMUNICATION

Emails are considered informal communication and are used to share information with Trustees and the Library Director. Emails are not used to take Board action between Board meetings or to poll Trustee opinion. Electronic communication (i.e., e-mail, chat rooms, instant messaging, etc.) is construed as a gathering for Open Meetings Act purposes. This does not mean electronic communication is prohibited. It means electronic communication will be treated the same as in person communication. Unless an Open Meeting is intended, care should be exercised not to conduct discussions that are not proper for an Open Meeting.*

SPEAKING FOR THE BOARD TO THE PUBLIC OR MEDIA

Individual Trustees may not speak to the public or the media on behalf of the Board unless authorized by the Board to do so.

When speaking about the Library or about Board action, Trustees should make remarks representing official Board

positions and avoid personal opinions. Please note the following:

1. Trustees must be aware that they are always seen as Trustees even when they designate comments as personal.
2. The Board recognizes the importance of a positive Library image and is committed to presenting such an image to the public.
3. Trustees and the Library Director are expected to participate in community activities and give talks to groups or individuals about Library services as requested.
4. Two prime aims of the Library's public relations program are:
 - a. To make governing leaders, civic officials and the general public aware of the Library's objectives and services and to promote understanding of these objectives and services.
 - b. To encourage active participation by people of all ages in the varied services of the Library.

It is the Library Board's policy to encourage release of information to the public regarding programs, Board activities and consumer concerns. The Library Director is the official spokesperson and shall provide the news media with a formal channel of communication. That communication will:

1. Maintain integrity in dealing with the public and news media.
2. Use the various news media for the promotion of Library programs and raise the community awareness regarding Library services.
3. Communicate accurately and consistently with other related Board policies.

GOVERNANCE/ADMINISTRATION RELATIONSHIP

The Board of Trustees recognizes and maintains the following guidelines in the Board's relationship with the Library Director:

1. Good management is recognized as one of the key factors in the success of the organization. The Board reserves the authority to establish policies, approve plans and delegate authority to the Library Director.
2. The Library Director will be responsible for hiring capable personnel within the limitations of Board policy and budget constraints, determining the appropriate compensation, training, supervising, disciplining and terminating if necessary.
3. Trustees will refrain from individually discussing management and personnel issues with Library personnel other than the Library Director. The Board, in consultation with the Library Director, may confer with key personnel at regular or special meetings of the Board.
4. Authority for management of the Library will be through the Board of Trustees to the Library Director and then to other personnel. The Board will require full and timely information from the Library Director concerning pertinent matters that relate to the management of the Library.
5. The Board recognizes that efficient management of the Library can exist only through mutual understanding and cooperation between the Board and the Library Director. The Board also recognizes that the Library Director is accountable to the Board to show results, and must be given the latitude to exercise independent judgment in executing Board policy.
6. The Board recognizes its position as the employer of the Library Director and will be responsible for systematic annual evaluation of the Library Director's performance. The evaluation will be for the purpose of improving the Library Director's performance and to provide a basis for

consideration of salary for the next year. Other considerations for salary increase could include projected budget and/or cost of living.

7. The Library Director's employment with the Library may be terminated for any cause upon written notice to the Library Director and in accordance with the Personnel Policy.

BOARD - LIBRARY DIRECTOR RESPONSIBILITIES

To assist the Board and the Library Director to work as a team, the following principles will guide the team members to determine responsibilities of each part of the team:

1. Responsibility for determining general policy shall be entrusted to the Board. The Library Director shall keep the Board informed regarding the progress of Library programs.
2. The Board represents the public in setting the goals and establishing the basic policies and long-range goals of the Library. The Library Director will implement those policies and goals.
3. The Board shall refrain from involvement in administrative functions.
4. The Board shall transact official business with professional staff members and other employees only through the Library Director.
5. The Library Director shall be responsible for administering programs in accordance with Board policies and regulations.
6. The Library Director shall be responsible for the selection and assignment of staff. The Library Director may delegate this responsibility to other supervisory persons.
7. The Library Director shall prepare and submit for Board action, an annual budget.
8. The Library Director shall provide the Board with data, information, and periodic reports to enable the Board to make effective decisions.

BUDGETING

The Library Director and the Budget Committee with staff input will prepare an annual operating budget. It will be presented to the Board for approval prior to the beginning of the next fiscal year. The budget will reflect the cost of carrying out the programs, services, and anticipated revenues of the Library for the next fiscal year.

The budget will be viewed by the Board as their financial plan for the Library, and approval of the budget by the Board will give the Library Director authorization to manage finances according to the plan without seeking further approval of the Board. However, the Library Director will keep the Board well informed of the ongoing status of the financial plan, and will not make expenditures outside of the budget plan without seeking Board approval. Amendments to the budget will be presented to the Board for approval for any of the following reasons:

1. The Library enters into agreements or contracts that were not included in the approved budget.
2. Management proposes a major expenditure that was not included in the approved budget.
3. Significant unanticipated revenues are received or cost overruns occur.

LEGAL COUNSEL

The Board will designate legal counsel to serve the needs of the Library District. Legal counsel may be requested to attend Board meetings by request of a majority of the Trustees or at the mutual agreement of the Board President and the Library Director.

Only the Board President, the Library Director or a Board designee may contact legal counsel on behalf of the Board. Costs billed to the Library and associated with individual Trustees contacting legal counsel, auditors or other professional consultants without specific authority from the Board of Trustees, will be billed to the Trustee making the unauthorized contact.

The only exception is in the event sexual or unlawful harassment is made by or directed at a Library Trustee, the

affected Library Trustee should contact the Library Board's Attorney to request an independent 3rd party investigation.*

MEETINGS

A meeting is an assembly of Trustees gathered to conduct Library District business in accordance to the Open Meetings Act (5 ILCS 120/ et. seq.).* Meetings must satisfy quorum requirements. The Board recognizes in all instances its right to control Board meetings.

KINDS OF MEETINGS

CLOSED MEETINGS

Trustees are prohibited from disclosing closed meeting information. Nor may Trustees in any way use such information to the detriment of the Library District.

All regular meetings of the Board will be open unless excepted in subsection C and closed in accordance with Section 2a of the Open Meetings Act. Some examples are as follows:

1. Discussion by the Board about specific Library employees that could harm the reputation and character of said employees or adversely affect them.*
2. Pending, imminent, or probable litigation.*
3. The purchase or sale or lease of real property for use by the public body, including the setting of a price.*
4. Information discussed by the Board that could have an adverse financial impact on the organization if the information were public knowledge.*
5. The sale or purchase of securities, investments or investment contracts.*

To close a meeting, a motion must be made and approved by a majority of quorum present stating the specific reasons for closing the meeting. Business conducted in the closed session must pertain directly to the stated purpose for closing the meeting and, upon closing the meeting, the Board must recite the exception(s) for which the meeting was closed.*

A verbatim record must be kept of all closed meetings in the form of video or audio record.*

No final action is allowed in closed meetings.

OPEN MEETINGS

It is the policy of the Library Board to hold regularly scheduled, open Board meetings using the following guidelines:

1. A notice of all meetings will be given to the local news media.
2. An agenda for each regular meeting shall be posted at the Library and at the location where the meeting is to be held at least 48 hours in advance of the holding of the meeting and shall be available for public inspection during this time.*
3. An agenda shall also be posted on the Library's website of any regular meeting. Any agenda of a regular meeting that is posted on the Library's website shall remain posted on the website until the regular meeting is concluded.*
4. An agenda will be provided to guests at the beginning of the meeting.
5. Guests may comment to the Board only at the designated "Public Comment" section on the agenda or when the Board requests public comment consistent with the Library's Public Comment Policy.*

SPECIAL MEETINGS

Special meetings of the Board should be called only rarely when the business to be addressed cannot wait until the next regularly scheduled meeting. A special meeting of the Board may be called by the Board president or by a majority of Trustees. A call for a special meeting will state the business to be addressed by the Board at the special meeting. Every member of the Board and the Library Director must be notified by the Board President or initiating Trustee of the special meeting at least four days prior to the established meeting time. Except in the case of a bona-fide emergency, public notice of special

meetings shall be provided in the same manner as regular meetings.*

REQUIREMENTS

MEETING INFORMATION

Matters to be considered by the Board at the meeting will be included on the agenda and in a Board packet of information provided to the Trustees at least two days prior to the meeting. Trustees are responsible to be prepared to discuss and determine any action to be taken at the meeting. Board packets can be received electronically and/or written. The trustee should make their preference known to the library director.

The Library Director and the Board President will develop meeting agendas. A modified consent agenda may be used. Items will be placed under the consent agenda or as individual action or information items at the discretion of the Library Director and/or the Board President. All Trustees can request items be placed on the agenda by contacting the Board President or Library Director one week prior to the meeting. The Trustee will indicate whether the agenda item is an action item or information item.

The agenda may be amended after the meeting is convened under corrections to the agenda. Only information items may be added. Consent agenda items can be removed for discussion by the request of any Trustee.

Board meeting handouts/documents shall be given immediately prior to the Board meeting in a hard copy format unless a Trustee presents the Board President and/or Library Director with a written request to receive the Board handouts/documents in electronic format. Material content will be determined by the Board President or Library Director. Usually this information does not require any action at the meeting and can be viewed by the Trustee at a later time.

Reports and presentation material may be provided during the meeting. Trustees are responsible for retaining this information for use until an issue is finalized or a decision made. Trustees may want to keep some of this information for reference during the fiscal year.

MINUTES OF BOARD MEETING

Records of all actions of the Board will be set forth in the minutes of the meeting. Minutes will be kept on file as the official record of the Library Board.

The Secretary of the Board will be custodian of the minutes. However, the Communications Coordinator will record minutes in writing during each regular meeting.

Minutes of the meeting are a record of the actions of the Board, not a record of discussion. Minutes of Board meetings will include:

1. The date, time and place the meeting was called to order.
2. The type of meeting--regular, special, public hearing or continued.
3. The name of the presiding officer.
4. A statement will be made if a quorum was not established.
5. The names of those Trustees present and the names of those Trustees absent from the meeting, whether the Trustees were physically present or present by means of video or audio conferencing, and other people present at the meeting.*
6. The exact wording of all motions, whether passed or failed.
7. Disposition of each motion made--passed or failed. (If the vote is by roll call, each Trustee's vote will be recorded by name. When a voice vote is taken, the number voting for and the number voting against will be recorded. No views, protests or explanations from Trustees about the vote will be recorded in the minutes unless the Board votes to allow such entries.)
8. Notation of each committee report.
9. Notation that the Board examined financial reports.
10. Notation of time of adjournment of the meeting.

11. Public comments.

Committee reports or recommendations may be attached to the minutes if these items are important for clarification of the minutes of the meeting.

OPEN MEETINGS ACT COMPLIANCE

All Library Board members shall, within 90 days of taking an oath of office or otherwise assuming responsibilities of a Library Board member, receive training for compliance with the Open Meetings Act, according to state law.* The Library Director will submit a list of Library Board members, designated employees, officers or members who receive training ("designees") to the Public Access Counselor.* The designees must successfully complete an electronic training curriculum, developed and administered by the Public Access Counselor, and thereafter must successfully complete an annual training program. Whenever the Library Board designates an additional employee, officer, or member to receive this training, that person must successfully complete the training within 30 days after that designation.

For full details on the Open Meetings Act please see Public Act 0900 98th General Assembly.*

PARLIAMENTARY AUTHORITY

Meetings of the Library Board will be governed by the parliamentary rules as outlined in Robert's Rules of Order Newly Revised in all cases where current Bylaws and current Board policies do not apply.

PUBLIC FORUM DURING MEETINGS

Each meeting agenda will include an item that is allocated no more than 30 minutes and labeled "Public Comment." All persons, other than Trustees, wishing to speak during the forum will, prior to the meeting, complete a written form listing the speaker's name (optional), issue to be addressed and name of organization represented. The form will be handed to the Board president (**Appendix A**).

QUORUM

A majority of all current Trustees of the Library Board will constitute a quorum for the purpose of conducting official Board business.

VOTING

All Trustees of the Library Board who are present when a motion is made will vote upon the motion unless abstaining or disqualified by conflicts of interest. Results of the vote will be recorded.

Voting on motions can be by voice unless requested otherwise by a member of the Board or at the direction of the Board president.

Once voting is completed all Trustees will support the action taken.

Officers

Officers of the Board will be a Board president, vice-president, secretary and treasurer elected by a majority vote of the Board.

The Board president will collaborate with the Library Director to prepare Board meeting agendas, preside at Board meetings, appoint committees and committee chairpersons, sign official documents requiring a signature, and may represent the Board in public and official capacities as instructed by the Board. The Board president will also:

1. Chair the executive committee.
2. Make special assignments and appoint representatives to other organizations.
3. Act as liaison between the Board and the Library Director.
4. Encourage the Board to do long-range planning.
5. Assist Trustees to build their Board skills.
6. Encourage all Trustees to participate in Board activities.
7. Ensure that all Trustees' views are represented in Board meetings.
8. Maintain all confidential Board documents and the directors' personnel file.

The vice-president will preside at a Board meeting in the absence of the president and assume presidential duties as acting president. The vice-president will also:

1. Work with the president and/or the Library Director to be prepared to assume that office if necessary.
2. Manage special assignments as requested by the Board president.
3. Chair the Strategic Plan Committee.

The secretary will oversee the records of the Board, including meeting minutes, correspondence, and historical documents. When required, the secretary will also sign notes, contracts and other official agreements on behalf of the Library District and at the direction of the Board. The Secretary will also:

1. Ensure that all official documents are safely passed to the next secretary.
2. Research library records when necessary for information for the Board.
3. Conduct nominations for Board officer elections.

The treasurer will oversee but not manage the financial records of the Library District, and ensure that the Board regularly receives reports of the financial condition of the library. The treasurer will also:

1. Assist the Board to understand the annual budget before approval.
2. Chair the budget committee.
3. Ensure that the Board arranges for an annual audit of the Library District financial records.
4. Verify proper documentation supports disbursement of funds for expenditures.

ERRORS AND OMISSIONS INSURANCE

It is the policy of the Library to provide liability insurance to directors and officers. The continuing need for such insurance will be reviewed each time the policy is due for renewal by the Library Director (**Appendix B***) for detailed information.

NOMINATION PROCEDURE FOR BOARD OFFICERS (BI-ANNUALLY)

At the May Board meeting it will be announced that the Board officers' election will be held at the June meeting and that all officer positions are open for current Trustees. Material will be distributed describing all Board officer duties. Trustees will be encouraged to consider running for office and instructed to contact the Board secretary of their interest within the next two weeks. The Board of Trustees will follow these procedures:

1. The Board secretary will record the names of those expressing interest in an office on a ballot if they agree to serve if elected.
2. After two weeks, if the ballot is not full, the secretary will contact those Trustees whose names are not on the ballot. The secretary will:
 - a. Inform the Trustees the ballot is not full.
 - b. Encourage them to run for open positions, answer any questions, they may have and ask them to contact current officers for more information on duties and time needed to perform them.
3. Calls will continue if the ballot is not full with at least one name for each office or if the secretary feels that additional calls will not change the outcome.
4. Prior to the June Board meeting the secretary will notify the president of the ballot status.
5. At the June Board meeting the secretary will report and present a ballot to the Board prior to the

election. If the ballot is not complete, the president will call for nominations from the floor.

OFFICER AUTHORITY

Officers of the Board are elected to be servant-leaders of the Board. All authority of the officers is delegated to them by the Board of Trustees. No officer will have any authority to speak or act on behalf of the Board other than that authority specifically granted in the Library's Bylaws, in Board policy or by majority vote of the Board of Trustees.

OFFICER ELECTION PROCESS

Officers will be elected after reorganization of the Board when new or re-elected Trustees are confirmed. The Board of Trustees will follow the following procedures in electing its officers:

1. Election will be at a meeting at which a quorum of Trustees is present.
2. The Board will meet to elect its officers at the organizational meeting following the election of new Trustees, or, at the president's discretion, this election may be postponed for a period of up to 15 days.
3. Only Trustees present for elections will be allowed to vote for officers. There will be no absentee ballots.

TERMS OF OFFICE

Terms of all officers will be for two years. Each officer may be re-elected for consecutive terms to the same office.

Procedures/Responsibilities

ADA ACCOMMODATION REQUESTS

Refer to the Board ADA Policy/Procedures.

BOARD INTERNAL ISSUES

Board internal issues should be brought to the Board's attention for discussion and/or action prior to external sources being contacted.

DELEGATION OF SPENDING AUTHORITY

The Board of Trustees is recognized as the ultimate spending authority for the Library District.

The use of a signature stamp for authorizing signatures is prohibited.

Trustee expenses must be submitted and approved by the full Board.

A Trustee shall abstain from approval of a transaction in which a conflict of interest exists.

EMPLOYMENT POLICIES - CHAIN OF COMMAND

The Library believes strongly in the chain of command:

1. Board of Trustees
2. Library Director
3. Assistant Library Director
4. Department Head
5. Front line staff

The Board is concerned about the needs and success of staff, and will work through the chain of command to facilitate the success of all Library employees.

The Board expects all staff and Trustees to respect and follow the chain of command when communicating about the business of the organization. Trustees will not take complaints, suggestions, requests or demands to the staff except through the Library Director. When a Trustee receives a complaint or suggestion from a staff member

other than the Library Director, the Trustee will remind the staff member of this Board's policy about following the chain of command. The Trustee will notify the Library Director.

ENFORCEMENT OF ETHICS ORDINANCE

Any Trustee who believes that a fellow Trustee has acted unethically should first review the current Ethics Ordinance. Trustees should not file or encourage the filing of ethics complaints that are frivolous and are intended to harm the respondent rather than to protect the Library District.

If the Trustee continues to believe a fellow Trustee has acted unethically he/she should seek resolution by discussing his/her concerns with the colleague if such discussion is likely to be productive and does not violate any individual's right to privacy.

If this discussion fails to resolve the problem, the Trustee should bring the concern to the attention of the Board president. If the concern relates to the Board president the issue should be brought to the attention of the Board vice-president. The Board president may choose to address the concern individually with the member in question or refer the concern to the executive committee.

Trustees shall cooperate in ethics investigations, proceedings, and resulting requirements. In doing so, they should make reasonable efforts to resolve any issues as to confidentiality. Failure to cooperate is itself an ethics violation.

FINANCIAL MANAGEMENT

Financial resources of the Library are the responsibility of the Board of Trustees. The Board will:

1. Have a clear plan for acquisition of financial resources to pay for the programs and services provided by the Library.
2. Provide guidelines for management and allocation of financial resources which will produce optimum benefit for those served.

3. Monitor and evaluate the financial plans and guidelines of the Library to ensure financial integrity.

SEXUAL HARASSMENT*

Sexual Harassment is governed by the Library's Sexual Harassment Ordinance (**APPENDIX C**).*

OTHER FORMS OF HARASSMENT*

Harassment, other than sexual harassment, consists of unwelcome conduct, whether verbal or physical, and can be based on a characteristic protected by law, such as sex, race, color, ancestry, national origin, religion, age, disability, marital status, sexual orientation or veteran status.* The Library will not tolerate harassing conduct that affects working conditions, that interferes unreasonably with an individual's performance, or that creates an intimidating, hostile, or offensive work environment.

Harassment, as defined above, may include, but is not limited to: abusive statements, slurs, threatening, intimidating or hostile acts; insulting, mocking, degrading or ridiculing another person, physical assault or stalking, displays of electronic transmission of derogatory, demeaning or hostile materials, unwillingness to assist or work with another Trustee; degrading jokes; and written or graphic material including pictures that degrade or show hostility based on sex, race, color, ancestry, national origin, religion, age, disability, marital status, sexual orientation, or veteran status and that is spoken, placed on Library property, circulated in the workplace or transmitted via e-mail, voice-mail, fax, or the internet. Harassment is unacceptable; it violates Library policy even when it may not be sufficiently severe or pervasive to constitute a violation of law.

Any Trustee, who believes that he or she has been subject to harassment by a Trustee or any person calling upon the Library, should contact the Board President who will contact the Board. If the person believes the Board president is the cause of the harassment complaint, the complaint should be directed to the Board vice president who will contact the Board. All harassment complaints will be promptly investigated. Harassment complaints must contain specific details/examples that support the

allegation. Where harassment is found to exist, immediate corrective action will be taken.

Harassment is considered a serious offense. Frivolous and false accusations should not be made against another Trustee in order to obtain personal gain or to damage the reputation of another Trustee.

LIBRARY DIRECTOR PERFORMANCE EVALUATION

It is the policy of the Library to annually evaluate the work performance of the Library Director. In March the Board President will have the Library Director fill out the Library Director self-evaluation form **(Appendix D)**.

The entire Board will participate in the evaluation process. At the April Board meeting the Trustees will be given a copy of the Library Director's self-evaluation and a blank Library Director Evaluation form **(Appendix E)**. (In filling out this form they must refer to the Library Director Job Description, the Library Director's monthly reports, the Library Director's self-evaluation and other information sources from the year.) Ratings of 1, 2, 4 or 5 require comments stating specific examples of how duties were exceeded or didn't meet expectations.

Trustees will not solicit information regarding the Library Director's performance from the Library Director nor staff. The Board recognizes that including staff in the performance review can seriously erode the relationship which must exist between the Library Director and staff.

Trustees will return their completed forms to the Board President by a date determined by the Board President. Any Trustee not returning the completed evaluation form within the specified deadline will be reminded of the deadline and an extension may be given at the discretion of the Board president. If the Trustee fails to return a completed evaluation form, the evaluation process will proceed without that Trustee's input.

The Board President will compile the information and present it to the Board in closed session prior to the May Board meeting. The Board will determine the final category ratings and complete the evaluation.

Category ratings of 1 or 2 may generate a Board goal for the Library Director.

The Board will approve the final Library Director evaluation at the May meeting.

The Board President will present the approved evaluation to the Library Director within two weeks.

If the Library Director has a dispute or questions about the evaluation not answered by the Board President, a Special Board Meeting will be set prior to the June Board Meeting. A rating of 1 or 2 in any category will require action which may include an action plan for improvement with a timeline, disciplinary action or separation.

At the June meeting the Board will determine salary adjustment. Any increase in compensation will be effective July 1st of the next fiscal year.

LIBRARY DIRECTOR WORK PERFORMANCE COMMUNICATION

The Board may communicate work performance issues to the Library Director outside of the annual evaluation process.

The Library Director Special Action Form (**Appendix F**) is used for the writing of the following:

Matter of Record - MR - Action used for recording conversations regarding less than expected performance.

Written Warning - WW - Action used for much less than expected performance or for a second conversation about the same problem already recorded in an MR. This should include corrective action expected and a timeframe.

Disciplinary Action - DA - Action resulting in time off because of continued poor performance and told that if not corrected could result in separation. This could be a first step if violation is serious.

Separation - SEP - Action used for continued poor performance after one or all of the above steps have been taken. This could be a first step if violation is serious.

Commendation - COM - Action used for performance above and beyond what is expected.

MONITORING LIBRARY DIRECTOR PERFORMANCE

Monitoring the Library Director's performance is synonymous with monitoring organizational performance. The Board delegates management to the Library Director and must have a process for ongoing monitoring of the Library Director's performance of the delegated duties. The purpose of monitoring is to determine the degree to which Board policies are being fulfilled.

The Board will monitor the Library Director's performance by awareness of the Library Director's job description, careful attention to all reports delivered to the Board and through an annual written evaluation of the Library Director's job performance.

The Library Director may be removed only by a majority vote of all currently serving Trustees, and the motion to remove will state clearly the cause for removal.

MONITORING LIBRARY DIRECTOR SALARY AND BENEFITS

The Board shall complete a comparison of the Library Director's salary and benefits to other director's with similar work experience in libraries of comparable size and budget. Analysis of this information shall determine if a salary/benefits adjustment should be made for the Library Director. Sometimes earned salary raises due to annual evaluations may not compensate for inflation or other factors over time. If the Board determines that an adjustment is needed, the decision should be factored into that year's budget development to determine if funds are available. In order for the Library to remain competitive and address the risk of losing a key employee, the comparison shall be done every four years. The Treasurer will be responsible for scheduling and facilitating the comparison completion in a timely manner. This budget/salary comparison is not part of the Library Director's annual work performance evaluation procedure.

NEPOTISM

The Library may not employ Trustees. It is the policy of the Library not to hire family members of employees and

Board members subject to applicable federal or state law. The Board will review exceptions.

LIBRARY DIRECTOR SPECIAL ACTION FORM

Any personnel performance issue with the Library Director is discussed in closed session.

1. Consensus is reached on action to be taken including possible salary impact.
2. The consensus is recorded on the Library Director Special Action Form including an explanation of action being taken (**Appendix F**). If corrective action is required, include what will be expected of the employee and any timeframe for completion.

The Board President meets privately with the Library Director, delivers the form, and answers any questions. The library director has the option to include comments on the form. The form is signed and dated by both the Board President and the Library Director.

The signed form is filed in the Library Director's work history file.

REMOVAL OF OFFICER

The Board has the right to remove any officer from that elected position by the same authority that elected the officers. Officers may be removed from office for:

1. Gross or willful neglect of the duties of the office.
2. Misuse of Library funds.
3. Conviction of a felony.
4. Intentional lack of public support for the Library's mission, staff or programs.

Procedure for removal of any officer from office will be a simple majority vote of the entire Board.

VACANCY OF OFFICER POSITIONS

If a vacancy occurs in any elected office because of resignation, death, ineligibility to hold office, or formal removal of an officer by the Board, the Board will declare the office vacant and proceed to fill the vacancy.

A vacancy is filled in the prescribed manner of election of officers in this policy.

VACANCY

Continuance of the organization is the responsibility of the Library Board and requires that the Board carefully select replacements as Trustees leave the Board. Appropriate potential new Trustees must be recruited to maintain continuity of the governance of the Library District.

NOMINATION AND ELECTION OF TRUSTEES

It is the policy of the Library Board to encourage district residents to run for open Board positions who:

1. Believe in the cause and mission of the Library.
2. Commit completely to the Trustee responsibility for the library.
3. Participate actively as part of the Library Board team.
4. Use one's own judgment in all considerations.
5. Are active in the community and will advocate for the library.

The Board President will periodically remind Trustees and the Library Director to submit Board candidate recommendations to be filed for use at the appropriate time.

Terms of office and election procedures will be as specified in the Bylaws.

DECLARED BOARD VACANCY

When a vacancy, other than normal expiration of term, is declared on the Board the Trustees may appoint to fill the vacancy. The appointed Trustee will fill the position only until the next regular election consistent with 75 ILCS 16/30-25.* The appointed Trustee would be eligible to run for the remaining portion of the 6-year term (2 or 4 years) at the next regular election.

The process for appointment to the Board will be as follows:

1. The Board President will accept recommendations from Trustees and the Library Director as well as any District resident who expresses interest in the position.
2. Nominee candidates must consent to serve if appointed before their name is submitted to the Board for consideration.
3. A list of the nominees will be submitted to all Trustees prior to the meeting at which the Board will fill the vacancy.
4. Appointment to fill a vacancy will be made only by a majority vote of the Trustees present at an official meeting of the Board. If present, the appointee will be seated after the vote.
5. The Board president will notify the appointed person, if not present, and the successful appointee will be seated at the next regular Board meeting.

WHAT MAKES AN EFFECTIVE LIBRARY BOARD?

Each Trustee will bring to the Board certain strengths, skills, talents and personal experience which uniquely serve the Library. The Board as a whole should represent a broad spectrum of community interests, occupations and areas. A Board consisting of diverse viewpoints assures that the Library will serve the total community. The competence necessary to fulfill all Board responsibilities should be present in the composition of the Board as a whole.

FINANCE

ACCOUNTING

The accounting system used by the Library District will utilize generally accepted accounting practices that are required and/or recommended by regulatory or lending agencies and the Library's auditor.

The accounting practices and procedures used by the Library will allow for management of District revenues and expenses, and will provide adequate systems of monitoring by the Board of Trustees as well as outside auditors.

COMPENSATION OF TRUSTEES

Trustees will not be compensated for service on this Board.

INVESTMENT PRACTICES

Funds not required for current operations will be invested according to the Investment Policy, which is reviewed, revised as needed, and approved bi-annually by the Board.

Investments must be government secured and guaranteed. Investments may be made at the discretion of the Library Director within the plan adopted by the Board, with the exception of any investments in securities with a maturity of more than one year which must have the prior approval of the Board.

The Library Director will present reports to the Board at least quarterly which show the status of all investments.

REPORTS AND AUDITS

Reports reflecting the financial condition of the Library District will be presented to the Board monthly. These financial reports will include:

1. At least quarterly status of expenditures on major capital projects.
2. Monthly statement of cash flow.
3. Monthly revenue and expense statement.

An independent auditor appointed by the Board will conduct an annual audit of the Library's finances. The Board will determine the scope of those audits.

SIGNING CHECKS

See Receipts and Disbursements section of Finance Policy for check signing signatories.

It is the responsibility of the Library Director to ensure that signatures can be gained from appropriate signatories so that payment can be made on obligations of the Library. It is also the responsibility of the Library Director to ensure that adequate controls and safeguards have been established to ensure disbursement of funds only for proper purposes.

It is the responsibility of all check signers to ensure that there is adequate documentation, consistent with good internal controls, for valid payment of checks they sign.

WORKING CAPITAL RESERVES

A working capital reserve sufficient to keep the Library operating for at least a 60-day period will be maintained at all times as recommended by the State Library.

LIBRARY DIRECTOR

BAD DEBTS

The Library Director may authorize debts to be written off if he/she believes the debt is uncollectible.

Delinquent accounts may be assigned for collection to either a collection agency, or taken to small claims court as the Library Director deems appropriate. Collection efforts will continue until funds are actually collected or the collection agency or small claims court deems further efforts will be futile or not cost-effective.

CONTRACTS

The Library Director may approve service agreements and contracts that cost less than \$25,000 annually or over the contract life.* The Library Director may also approve agreements, which continue the same service level and cost from a prior contract. These agreements must be done within the approved budget line item spending limits. The Library Board must approve all other contracts. New contracts, which cost more than \$25,000 annually or over the contract life, shall require review and/or opinion of

the Library's attorney to assure the agreement is legally sound and that the Library's interest is protected.*

All service agreements and service contracts shall be awarded on the basis of cost, experience, and references. No contracts may be written or awarded to employees or Trustees or their immediate families.

At a minimum, all contracts must contain the purpose, effective dates, authorized signatures, amount to be paid, how liability risks are covered or met, and services to be provided.

DELEGATION TO LIBRARY DIRECTOR

The Board's job is generally confined to establishing policies, leaving implementation of Board policy to the Library Director. All Board authority delegated to staff is delegated through the Library Director.

The Library Director is authorized to establish all further procedures, make all decisions, take all actions and develop all activities, which are true to the Board's policies. The Board will respect the Library Director's choices so long as those choices maintain the integrity of Board policies. This does not preclude the Board from obtaining information about activities.

No individual Trustee, officer or committee has any authority over the Library Director. Information may be requested by such parties, but if such request, in the Library Director's judgment, requires excessive staff time, the Library Director may bring the request to the Board.

Acting with the authority granted above, the Library Director may not perform, allow or cause to be performed any act which is unlawful, insufficient to meet commonly accepted business and professional ethics for the "prudent person" test.

Should a situation arise wherein the Library Director deems it unwise to comply with a Board policy, he/she will inform the Board of Trustees. Informing is simply to guarantee no violation may be intentionally kept from the Board. It is not for the purpose of receiving approval. Board response at that time does not exempt the Library Director from subsequent Board judgment of his/her action.

DOCUMENT SECURITY AND STORAGE

Written and electronic documents created for Library business purposes, including those reviewed and revised on a regular basis, are the property of the Library District. Original hard copy documents and original electronic document files are stored in the library. The Library Director maintains paper and electronic documents and verifies their validity, when necessary. Written and electronic documents are kept current and outdated versions are destroyed consistent with the Local Records Act (50 ILCS 205/ *et. seq.*).* When electronic files are shared or viewed they are released in a read only, PDF file, unless they are being used as a draft document by Trustees.

EXECUTIVE LIMITATION

The Library Director may not risk financial losses to the Library District beyond those that may occur in the normal course of business. The Library Director will:

1. Ensure against embezzlement, against casualty losses to full replacement value, and against liability losses (to Trustees, organizations or staff) beyond the minimally acceptable prudent level.
2. Ensure that all personnel with access to significant amounts of the Library's money are appropriately bonded.
3. Ensure that facilities and equipment are properly maintained.
4. Limit exposure of the Library, the Board or staff to claims of liability.
5. Disburse funds only under controls sufficient to meet the Board-appointed auditor's standards.
6. Invest operating capital only in secure short-term investments.
7. Ensure off-site backup of all computer and other financial records necessary for uninterrupted operation of the Library.

REQUEST FOR INFORMATION

From time to time the public will request information or records from a Trustee. All requests for information need to be forwarded to the FOIA Officers.

No Trustee or the Library Director will release unapproved Library documentation, information, policies or records to the public.

SPENDING AUTHORIZATION

The Library Director may make expenditures consistent with the Board-approved budget without further Board approval. However, the Board of Trustees must formally approve expenditures not within the Board-approved budget.

A list of anticipated major capital expenditures should be included with the annual budget that is submitted to the Board for approval.

The Library Director may authorize unbudgeted emergency repairs to the physical building or equipment that must be completed immediately, that cannot be practically submitted to the Board for approval. The Board of Trustees will be informed of the expenditures as soon as possible.

TRUSTEE CONDUCT

COMMITMENT & PERFORMANCE EXPECTATIONS

Serving as a Trustee of the Library involves commitment. To meet that commitment, Trustees are expected to:

1. Demonstrate a strong belief and commitment to the Library's mission.
2. Devote the necessary time to prepare for and participate in Board and committee meetings.
3. Take responsibility and accountability for the Library and all decisions made by the Board.
4. Work as a team member with other Trustees and the Library Director.
5. Exhibit high ethical standards and integrity in all Board actions.

6. Be an enthusiastic advocate for the Library.
7. Spend the time necessary to learn how to do the job, and maintain an ongoing schedule of in-service to learn how to do the job better.

CONFIDENTIALITY

During service on the Board, Trustees encounter confidential information pertaining to the Library District. Sensitive information may be acquired regarding financial decisions, real estate purchases, and decisions regarding mergers, and other strategic plans. Certain types of information should be kept confidential during and after service. Examples include but are not limited to:

1. Information pertaining to performance of Coal City Public Library District Library Director including evaluation data, compensation, and grievances.
2. Issues related to the Board's legal, ethical and regulatory responsibility for the oversight of statistical data, risk management information and litigation information.

CONFLICT OF INTEREST

Trustees have a duty to subordinate personal interests to the welfare of the Library and those they serve. Conflicting interests can be financial, personal relationships, status or power. Trustees may not have a financial interest in any property which the Library purchases, or a direct or indirect interest in a supplier, contractor, consultant or other entity with which the Library does business.

Since it is not possible to write a policy that covers all potential conflicts, Trustees are expected to be alert for and avoid situations which might be construed as conflicts of interest. Any possible conflicts of interest on the part of any Trustee should be disclosed to the other Trustees and made a matter of record, either through an annual procedure or when the interest becomes a matter of Board action.

Any Trustee having a conflict of interest or possible conflicts of interest should not vote or use his/her personal influence on the matter, and he/she should not be

counted as part of a quorum for the vote. The minutes of the meeting should reflect that a disclosure was made, the abstention from voting and the quorum situation.

These restrictions should not be construed as preventing the Trustee from briefly stating his/her position in the matter, nor from answering pertinent questions of other Trustees, since his/her knowledge could be of assistance to the deliberations.

All Trustees will be required to complete the "Conflicts of Interest" statement (**Appendix G**) annually and each new Trustee will be given this policy and Conflict of Interest Statement for signature during orientation.

ETHICAL OBLIGATIONS OF TRUSTEES

All Trustees will be given a copy of the Board Code of Ethics (**Appendix H**) and the ALA Ethics Statement for Public Library Trustees (**Appendix I**). All Trustees will be expected to adhere to the provisions of those documents.

A Trustee may not use his/her position on the Library Board to prevent the Library from competing with the Trustee's business. It is expected that Trustees, even after they complete Board service, will not use confidential information acquired by virtue of being a member of the Board.

POLITICAL CONTRIBUTIONS

Trustees will not make political contributions in cash, property or service on behalf of the Library. If a Trustee takes an active part in the political process, it must be done at the Trustee's personal expense. The Library will not reimburse anyone for a political contribution.

POLITICAL AND LEGISLATIVE ACTIVITY

To ensure that the Library supports legislative issues which further the basic interests of patrons and oppose legislative issues detrimental to the Library mission, the following guidelines are established:

1. The Library shall be nonpartisan in political matters, but may support or oppose federal, state or local legislative issues relevant to the Library as the Board determines necessary and advisable.

The Library will not directly endorse any candidate or party.*

2. Trustees shall not engage, directly or indirectly, in partisan activities as representatives of the Library, and Library funds will not be used for that purpose.
3. Trustees are free, as individuals, to participate in political activity.
4. Trustees and management of the Library should be aware that, because of their position, they should exercise discretion at all times to not convey the impression that the Library is endorsing a political candidate.

SOLICITING OR RECEIVING GIFTS

Members of the Library Board must never offer, give, solicit or receive any form of bribe or kickback through their connection to the Library District. Trustees must never solicit a personal gift of any kind from anyone who does business with the Library. This restriction applies to both actual and proposed business transactions involving the Library.

Trustees are prohibited from receiving gifts, fees, loans, or favors from suppliers, contractors, consultants, or financial agencies, which obligate or induce the Trustee to compromise responsibilities to negotiate, inspect or audit, purchase or award contracts, with the best interest of the Library in mind.

TRUSTEE - LIBRARY DIRECTOR CONTACT BETWEEN MEETINGS

It is good practice for Trustees to voice questions or request information during Board meetings in order for all to benefit from the response thoughtit may be necessary to contact the Library Director outside of meetings..

RESPONSIBILITIES

ACCOUNTABILITY

Trustees are responsible for the following:

1. Employing a competent and qualified Library director.
2. Determining the purpose of the Library and to adopt written policies to govern the operation and mission of the Library.
3. Establishing, supporting and participating in a planned public relations program.
4. Assisting in the preparation of the annual budget and approving the final document.
5. Knowing local and state laws and to actively support Library legislation in the state and nation.
6. Attending all Board meetings and ensuring that accurate records are kept on file at the Library.
7. Attending regional, state and national Trustee meetings and workshops, and affiliating with appropriate professional organizations.
8. Training and certifying on the Open Meetings Act.
9. Establishing policies that encourage use of system services.
10. Being aware of the services of the local library system.
11. Determining programs and needs of the Library in relation to the community and to keep abreast of standards of library trends.
12. Securing adequate funds to carry on Library programs.

For division of responsibility between Board and Library Director reference **(Appendix J)**.

ADVOCACY

Trustees are potentially the most powerful advocates for Library programs and services, and are expected to take an active role in promoting the Library. Advocacy

opportunities for Trustees include fund raising, legislative lobbying and public relations.

AUTHORITY

Trustees have authority only when acting as a body in regular or special meetings of the Board.

The Board will not be bound in any way by any statement or action by any individual Trustee. An exception is when such statement or action is in pursuance of an adopted Board resolution or special instructions by the Board, or under specified delegation of responsibility.

COMMUNITY RELATIONS

Trustees have three key responsibilities in this area:

1. Ensuring that the programs and services appropriately address the needs of those served.
2. Advocating for Library services/programs, which includes an awareness that Trustees are always emissaries of the Library District in the community.
3. Acting cooperatively includes determining occasions when the Library could/should take part in coalitions, joint operations, etc.

FINANCE

Trustees have four key responsibilities in this area:

1. Ensuring financial accountability of the Library District.
2. Overseeing an ongoing process of budget development, approval and review.
3. Raising funds and/or ensuring that adequate funds are available to support the Library's policies and programs.
4. Overseeing properties or investments of the Library District.

HUMAN RESOURCES

Trustees have two key responsibilities in this area:

1. Supervising the Library Director, which includes hiring, termination, disciplining and ongoing evaluation of the Library Director.
2. Writing and reviewing personnel policies, which includes policies relating to the Library Director's employment, and ensuring that the Library Director has complete and up-to-date policies in place for management of staff.

LEGAL OBLIGATIONS

The Library Board is both responsible and liable for the Library District. The Library Board and the law require every Trustee to follow the rule of the reasonably prudent person and the principle of good faith.

LEGAL REQUIREMENTS

All Trustees will be expected to recognize and accept their legal position as governing agents of the Library. A Trustee of the Library District occupies the role of a fiduciary with regard to those served. A fiduciary is a person who holds something in trust; who may be subject to legal consequences. The duties and responsibilities of Trusteeship attach automatically when Trustees accept the office.

The Board will discuss their liability to be certain that the Board is adequately insured.

MAINTAINING ETHICAL CREDIBILITY

Trustees will maintain high credibility in adhering to legal and policy requirements.

Trustees will be active and encourage all other Trustees to be active by attending meetings, studying, questioning, voting on all issues, monitoring progress and maintaining active committees.

Trustees will be made aware of conflicts of interest on the Board. A generally accepted rule of thumb is that a Trustee or his/her family may not receive any gain

(tangible or intangible) through the connection with the Library District.

Trustees will vote against proposed actions if they feel there is insufficient information on which to base an opinion or feel the proposed action will be against the Library's best interest. Minutes of each meeting should be carefully maintained and all votes properly recorded.

Trustees will formally adopt any rules, regulations, policies and budgets. Trustees will examine fiscal records at regular intervals.

Trustees will ensure that standard budget forms and annual report forms are prepared and filed as required by law.

MANAGEMENT OF STAFF & PUBLIC CONCERNS

It is the policy of the Library Board that when a Trustee is contacted by a staff member or member of the general public who has a concern or complaint about the Library or persons within the Library, the Trustee will:

PUBLIC CONCERNS

1. Remember that individual Trustees have no power or authority to speak or act for the full Board.
2. Listen to the person's concern.
3. Express a desire to reach a satisfactory solution, but make no specific promises.
4. Assure that person that the Library Director will be informed of the concern.
5. Explain that the Board and management have established a process for handling concerns. Anyone having a complaint is encouraged to discuss concerns with the Library Director and if not resolved either to attend a Library Board meeting or to file a written complaint (**Appendix K**). Forms may be picked up at the Circulation Desk. The person originating the complaint must sign the

complaint form. The nature of the complaint should be stated as well as the relief sought.

6. Inform the Library Director of the complaint or concern.

STAFF CONCERNS

1. Listen to the person's concern.
2. Refer staff to the grievance procedure.

MEETING ATTENDANCE REQUIREMENT

Trustees are expected to attend meetings to maintain governance continuity, to be fully informed about the issues on which they will vote, and to meet their responsibility to contribute to the decisions the Board is required to make.

If a Trustee will be absent from all or part of any meeting, the Trustee is expected to contact the Board President or the Library Director informing them of the absence.

ORGANIZATIONAL OPERATIONS

Trustees have four key responsibilities in this area:

1. Ensuring that Library's management systems are adequate and appropriate.
2. Ensuring that the Board's operations are adequate and appropriate, which includes writing policies for conduct of meetings and operation of Board business.
3. Ensuring that organizational and legal structures are adequate and appropriate.
4. Ensuring that the Library District and its Trustees meet all applicable legal requirements.

PLANNING

Trustees will have the responsibility to establish and review the Library's mission and goals regularly.

TRAINING

ORIENTATION AND DEVELOPMENT

New Trustees will be given a thorough orientation about the Library, Board operations, finance, Board ethics, responsibility and liability.

The Board may also include funds for Board development in the annual budget. The funds may be used to pay for publications and materials to assist the Trustees training and in-service programs oriented to Board operations.

WORKSHOPS, SEMINARS AND WEBINARS

The Board may approve and reimburse the cost of Trustees attending workshops or training seminars within the limits of the budget, provided such attendance is in the best interest of the Library.

The Library District shall reimburse permitted expenses as set forth on the Permitted Travel Expenses application (**APPENDIX L**). The Library District shall only approve reimbursement of expenses if a Library Trustee submits expenses on the Library District's Reimbursement Request Form (**APPENDIX M**). The expenses may be approved only by a roll call vote at an open meeting of the Board of Library Trustees.

PROFESSIONAL MEMBERSHIPS

The Board may approve requests for reimbursement for the cost of professional memberships for Trustees within the limits of the budget, provided such membership is in the best interest of the Library. Appropriate documentation will be provided to the Library Director to support reimbursement.

VACANCY

DECLARATION OF TRUSTEE VACANCY

It is the policy of the Library Board to declare vacancies when an elected or appointed Trustee:

1. Declines, fails, or is unable to serve.
2. Becomes a nonresident of the district.
3. Is convicted of a misdemeanor by failing, neglecting, or refusing to discharge any duty imposed upon him or her by the Public Library District Act of 1991.
4. Is convicted of a felony.
5. Has failed to pay the Library taxes levied by the district.
6. Is absent without cause from all regular Board meetings for a period of one year.
7. Resigns because they are unable to serve.

**POLICY ON
INDEMNIFICATION AND INSURANCE**

Section 1. The Library shall indemnify any person who was or is a party, or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal administrative or investigative (other than an action by or in the right of the Library) by reason of the fact that he or she is or was a Trustee, officer, employee or agent of the Library, or who is or was serving at the request of the Library as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Library, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in, or not opposed to, the best interests of the Library, or, with respect to any criminal action or proceeding, that the person had reasonable cause to believe that his or her conduct was unlawful.

Section 2. The Library shall indemnify any person who was or is a party, or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Library to procure a judgment in its favor by reason of the fact that such person is or was a Trustee, officer, employee or agent of the Library, or is or was serving at the request of the Library as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Library, provided that no indemnification shall be made in respect of any claim, issue

or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his or her duty to the Library, unless, and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

Section 3. To the extent that a Trustee, officer, employee or agent of the Library has been successful, on the merits or otherwise, in the defense of any action, suit or proceeding referred to in Sections (1) and (2) of this Policy, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

Section 4. Any indemnification under Sections (1) and (2) of this Policy or (unless ordered by a court) shall be made by the Library only as authorized in the specific case, upon a determination that indemnification of the Trustee, officer, employee or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth in Sections (1) and (2) of this Policy. Such determination shall be made (i) by the Board of Trustees by a majority vote of a quorum consisting of Trustees who were not parties to such action, suit or proceeding, or (ii) if such a quorum is not obtainable, or, even if obtainable, a quorum of disinterested Trustees so directs, by independent legal counsel in a written opinion.

Section 5. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Library in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Trustees in the specific case, upon receipt of an undertaking by or on behalf of the Trustee, officer, employee or agent to repay such amount, unless it shall ultimately be determined that he or she is entitled to be indemnified by the Library as authorized in this Policy.

Section 6. The indemnification provided by this Policy shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any agreement, vote of disinterested Trustees, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall

continue as to a person who has ceased to be a Trustee, officer, employee or agent, and shall inure to the benefit of the heirs, executors and administrators of such a person.

Section 7. The Library may purchase and maintain insurance on behalf of any person who is or was a Trustee, officer, employee or agent of the Library, or who is or was serving at the request of the Library as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the Library would have the power to indemnify such person against such liability under the provisions of this Policy.

Section 8. For the purposes of this Policy, references to "the Library" shall include, in addition to the surviving Library, any merging Library (including any Library having merged with a merging Library) absorbed in a merger which, if the separate existence had continued, would have had the power and authority to indemnify its Trustees, officers, employees or agents, so that any person who was a Trustee, officer, employee or agent of such merging Library, or was serving at the request of such merging Library as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Policy with respect to the surviving Library as such person would have with respect to such merging Library if its separate existence had continued.

ORDINANCE 19-3

POLICY PROHIBITING DISCRIMINATION, HARASSMENT, AND RETALIATION*

The Library is committed to maintaining a work environment free of discrimination, harassment and retaliation. In keeping with this commitment, the Library will not tolerate harassment of Library employees or Trustees by anyone, including any supervisor, co-worker, elected or appointed official or any third-party. All employees and Trustees are expected to avoid any behavior or conduct which could reasonably be interpreted as harassment. All employees and Trustees are expected to make it known promptly, through the avenues identified below, when they experience or witness offensive or unwelcome conduct.

All employees and Trustees must comply with this policy. Violations will not be tolerated. Even where conduct is not sufficiently severe or pervasive to constitute an actionable legal violation, the Library discourages such conduct in the workplace.

Discrimination

The Library prohibits discrimination, harassment and retaliation on the basis of race, color, religion, sex, sexual orientation, national origin, age, disability, or any other characteristic protected by law. A violation of this policy, however, does not necessarily rise to the level of a violation of the law.

This policy applies to all employment-related decisions, actions, conduct and terms and conditions of employment, such as, but not limited to, hiring, training, promotion, wages, hours, assignments, benefits and termination of employment. Employment decisions at the Library will be based on considerations such as, but not limited to, the following: skills, experience, qualifications and merit, to the extent that any of those considerations would apply to the specific circumstances and position involved.

Harassment

Harassment is a form of discrimination and is prohibited. The Library seeks to provide a work environment in which all individuals are treated with respect and dignity and which is free from sexual harassment as well as other types of harassment described in this policy.

All employees and Trustees are responsible for conducting themselves in accordance with this policy. The Library will not condone harassment, whether engaged in by employees, supervisors, management, Trustees or by those who do business with the Library, such as, but not limited to, vendors, contractors, patrons, visitors and other third parties. Violation of this policy shall be considered grounds for disciplinary action, up to and including termination of employees and reporting officials to appropriate authorities.

Harassment consists of unwelcome conduct, whether verbal, physical, or visual, that is based upon a person's protected status, such as sex, sexual orientation, color, race, religion, national origin, age, physical or mental disability or other protected group status. The Library will not tolerate harassing conduct that affects tangible job benefits, that interferes unreasonably with an individual's work performance, or creates an intimidating, hostile, or offensive work environment. The conduct forbidden by this policy specifically includes, but is not limited to:

- A. Slurs, negative stereotyping, demeaning or degrading comments, nicknames or intimidating acts that are based on a person's protected status.
- B. Written or graphic material that is circulated, available on the Library's computer system or technology resources, or posted or distributed in the workplace that shows hostility toward a person or persons because of their protected status.

Sexual harassment is conduct based on sex, whether directed towards a person of the opposite or same-sex. Unwelcome sexual advances, requests for sexual favors or other verbal or physical conduct of a sexual nature become sexual harassment when:

- A. Submission to such conduct is made either explicitly or implicitly as a term or condition of a person's employment.
- B. Submission to or rejection of such conduct by an individual is used as a basis for employment decisions affecting such person.
- C. Such conduct has the purpose or effect of interfering with an individual's work performance or creates an intimidating, hostile or offensive work environment.

This policy forbids harassment based on sex, regardless of whether it rises to the level of a legal violation. The Library considers the following conduct to represent some of the types of acts that violate this policy:

- A. Either explicitly or implicitly conditioning or providing preferential treatment in any term of employment (such as continued employment, wages, evaluation, advancement, assigned duties or shifts) on the provision of sexual favors.
- B. Physical contact, such as patting, pinching or brushing against any part of another's body or physical assaults of a sexual nature;
- C. Sexual propositions, sexual innuendo, suggestive comments;
- D. Continuing to ask an employee to socialize on or off-duty when the employee has indicated that she or he is not interested;
- E. Displaying or transmitting demeaning, obscene or sexually suggestive pictures, objects, cartoons, or posters anywhere in the Library workplace;
- F. Sexually oriented kidding, teasing, practical jokes, or threats;
- G. Referring to or calling a person a sexualized name;
- H. Telling sexual jokes or using sexually vulgar or explicit language;
- I. Making derogatory or provoking remarks about or relating to an employee's sex or sexual orientation;
- J. Harassing acts or behavior directed against a person on the basis of an employee's sex or sexual orientation; or
- K. Off-duty conduct that falls within the above definition and affects the work environment.

Everyone is required to avoid behavior or conduct that could reasonably be interpreted as prohibited harassment under this policy. Employees and Trustees are encouraged to inform others in the workplace when their behavior is unwelcome, offensive, inappropriate, or in poor taste. Employees and Trustees are expected to come forward promptly and report any violations pursuant to this policy before the alleged offending behavior becomes severe or pervasive.

Retaliation

The Library will not retaliate or allow retaliation against an individual who has made a report of a violation of this policy or for cooperating in an investigation. This, of course, means that employees and Trustees also must

not retaliate against any individual who has made a report of a violation of this policy or who has cooperated in an investigation. Retaliation by anyone against anyone else for reporting violations of this policy or cooperating in an investigation is strictly prohibited. Anyone who is found by the Library to have engaged in retaliation may be subject to discipline, up to and including termination of employment, or reporting conduct of Trustees to appropriate authorities.

Whistleblower protections and remedies are available under the Whistleblower Act, 740 ILCS 174/1 et seq., the State Officials and Employees Ethics Act, 5 ILCS 430/1-1 et seq., and the Illinois Human Rights Act, 775 ILCS 5/1-101 et seq.

Procedure for Reporting and Investigation of Harassment, Discrimination and Retaliation

All employees and Trustees are responsible for helping to avoid all forms of harassment. Anyone who believes he or she has experienced conduct inconsistent with this policy or otherwise learns of conduct prohibited by this policy is responsible for reporting the conduct through the Complaint procedure.

This policy does not require reporting harassment or discrimination to any individual who is creating the harassment or discrimination. Employees or Trustees may make an incident report for this purpose or may report conduct in any other manner, including making a confidential report to a supervisor, ethics officer, Inspector General, or the Department of Human Rights.

In addition, each supervisor must immediately report to, the Library Director, or an official any complaint or observation of conduct which may violate this policy. Supervisors or managers or Trustees who have knowledge of any conduct inconsistent with or prohibited by this policy and do not report it to one or more of the above are subject to disciplinary action, up to and including termination or reporting Trustees to appropriate authorities.

Verbal complaints, as stated, must be made immediately. The Library may follow up in writing in order to assure complete understanding of and resolution of the specific complaint. Please note that there are no exceptions to this reporting requirement.

Any conduct inconsistent with or prohibited by this policy will be investigated promptly. The Library is committed to investigating and taking prompt and appropriate action with respect to all such claims and strongly urges internal utilization of this policy. The Library may put reasonable interim measures in place, such as a leave of absence (with or without pay) or a transfer, while the investigation takes place.

All reports of violations of this policy shall be made in good faith. Therefore, all reports will be taken seriously and they will be promptly investigated. Employees and Trustees are required to cooperate with investigations conducted by the Library.

Employees or Trustees who engage in conduct that is found by the Library to be inconsistent with or prohibited by this policy are subject to disciplinary action, up to and including termination or reporting to appropriate authorities. Persons knowingly making a false report are subject to disciplinary action, up to and including termination or reporting to appropriate authorities. Failure to cooperate in an investigation also will subject an employee to the same disciplinary action. The Library may discipline an employee for any inappropriate conduct discovered in investigating reports made under this policy.

To the fullest extent practical, the Library will keep complaints and the terms of their resolution confidential. However, in order to effectively investigate such complaints, the Library must inquire of employees or Trustees involved. The Library also has sole discretion to determine the scope of the investigation and, within that scope, the individuals who should be informed of and asked about the allegations.

Employees and Trustees are encouraged to use the above complaint procedure(s) to report and resolve their complaints of harassment or retaliation to promote prompt resolution of any problems. However, employees and Trustees may also file a charge in writing with the Illinois Department of Human Rights within 180 days of the conduct and/or the Equal Employment Opportunity Commission at:

A. Illinois Department of Human Rights

100 W. Randolph St., Suite 10-100
Chicago, IL 60601
(312) 814-6200

B. Equal Employment Opportunity Commission
500 West Madison Street, Ste. 2800
Chicago, Illinois 60661-2511
(312) 353-2713

In the event the sexual or unlawful harassment is made or directed at a Library Trustee, the affected Library Trustee should contact the Library Board's Attorney to request an independent 3rd party investigation.

Thus, in defining and delineating the division of responsibility between the Board and the Library Director, the Board recognizes that the ultimate responsibility to the community to provide "the greatest benefit to the greatest number" rests with the Board.
