

**COAL CITY PUBLIC LIBRARY DISTRICT
FREEDOM OF INFORMATION ACT**

**APPROVED BY THE
BOARD OF TRUSTEES**

REVISED

AUGUST 25, 2020

***Denotes Legal Language**

**COAL CITY PUBLIC LIBRARY DISTRICT
FREEDOM OF INFORMATION ACT**

- I. A brief description of the public Library District is as follows:
- A. The Library District's purpose is to have a library that is committed to provide comprehensive informational, educational, recreational, historical and intellectual opportunities through a variety of programs and services.
 - B. An organizational chart is attached (**Appendix A**).
 - C. The total amount of the Library's operating budget for FY 21-22 is \$1,375,811.00. Funding sources are property and personal property replacement taxes, state and federal grants, fines, charges, interest income and donations. Tax levies are:
 - 1. Corporate purposes (for general operating expenditures)
 - 2. IMRF (provides for employee's retirement and related expenses)
 - 3. Social Security (provides for employee's FICA costs and related expenses)
 - 4. Audit (for annual audit and related expenses)
 - 5. Tort Liability (for insurance premiums, risk management, attorney's fees and related expenses, unemployment and worker's compensation insurance)
 - D. The Library has one principal office located at 85 N. Garfield Street, Coal City, IL 60416.*
 - E. The Library employs the following number of persons:
 - 1. Full-time approximately 9
 - 2. Part-time approximately 13
 - F. The Coal City Public Library District Board of Trustees exercises control over Library policies and meets on the second Tuesday of the month at 6:30 p.m. in the Library Annex, located at 70 N. Irving Street, Coal City. **Appendix B** is a directory of board members.
 - G. The Coal City Public Library District is a member of the Reaching Across Illinois Library System (RAILS). RAILS provides delivery service to support Illinois' vast interlibrary loan program, technology support for more than 600 libraries' shared online catalogs, and Talking Book Services that serve persons with visual or physical disabilities who cannot read potential print material. The RAILS service area covers northern and western Illinois. The system services more than 1,300 public, private, university,

and school library members, representing more than 4,200 library facilities in a 27,000 square mile area. Although the City of Chicago is within RAILS' boundaries, and a number of RAILS member libraries are located in Chicago, the Chicago Public Library constitutes a separate library system. The RAILS system is governed by a Board of Directors consisting of 15 voting members chosen by member libraries in accordance with system bylaws.

H. The Library is required to report and be answerable for operations to the Illinois State Library, Springfield, Illinois. Its members include: State Librarian, Director of State Library, and other various staff.

II. Requests for information and records available to the public should be made in the following manner:

A. Complete user request form **(Appendix C)**.

B. Submit the request form to the following individuals: Jolene Franciskovich or Leah Bill, FOIA officers.

C. Indicate whether the request is for a "commercial purpose." "Commercial Purpose" is defined in the Act as "the use of any part of a public record or records, or information derived from public records, in any form for sale, resale, or solicitation or advertisement for sales or services." However there are exceptions for news media, non-profits, scientific and academic organizations for distributing news, articles and opinions of public interest, research, or education.

D. In the case of "commercial interest," additional questions may be asked of the requestor in order to determine the classification. The Library has up to 21 days to respond and either deny the request based on exemptions or undue burden, estimate the time and cost of copying for prepayment, or provide the documents requested. After the first eight hours of searching and retrieval there will be a charge of \$10.00 per hour for the time spent by personnel. Commercial requesters will be charged for the actual cost of retrieving and transporting public records from an off-site storage facility if the Library contracts with a third-party storage company. If the fee is imposed the Library will provide the requester with a written accounting of all fees, costs and personnel hours involved in responding to the commercial request. No fees can be charged for electronic copies of documents under FOIA other than the actual cost of the medium used to provide the documents, such as a CD-ROM or flash drive.

- E. Specify the records requested to be disclosed for inspection or to be copied.
- F. To reimburse the Library's actual costs for reproducing the records, the following fees will be charged:
- a. There is no charge for the first fifty (50) pages of black and white text either letter or legal size;
 - b. There is a \$.15 per page charge for copied records in excess of 50 pages;
 - c. The actual copying cost of color copies and other sized copies will be charged.
 - d. In the case of a "voluminous request," if a voluminous request is for electronic records and those records are not in a portable document format (PDF), the Library may charge up to \$20 for not more than 2 megabytes of data, up to \$40 for more than 2 but not more than 4 megabytes of data, and up to \$100 for more than 4 megabytes of data. If a voluminous request is for electronic records and those records are in a portable document format, the Library may charge up to \$20 for not more than 80 megabytes of data, up to \$40 for more than 80 megabytes but not more than 160 megabytes of data, and up to \$100 for more than 160 megabytes of data. If the responsive electronic records are in both a portable document format and not in a portable document format, the Library may separate the fees and charge the requester under both fee scales.*
- G. Documents must be furnished without charge, or at a reduced charge, as determined by the Library, if the person requesting the records states the specific purpose of the request and indicates that a waiver or reduction of fees would be in the public interest. A waiver or reduction is in the "public interest" if the primary purpose of the request is to access and disseminate information regarding the health, welfare, safety or legal rights of the general public and is not for the principal purpose of commercial or personal benefit. A presumption exists that any news media request for information regarding health and safety is not for commercial benefit. In setting the amount of any reduction, the Library may take into consideration the amount of materials requested and the cost of conveying them.
- H. Records kept in electronic format may be requested in a specific format and *if feasible*, will be so provided. If not, they will be provided either in the electronic format in which they are kept (or in paper). Fees would be assessed for the actual cost of the medium only, i.e. disc, flash drive, etc.

I. The office will respond to a written request within five (5) business days or sooner if possible. In limited circumstances an extension of an additional five (5) business days may be requested with a written agreement from the requestor.

J. Records may be inspected or copied. If inspected, an employee must be present through the inspection.

K. The place and times where the records will be available are as follows:

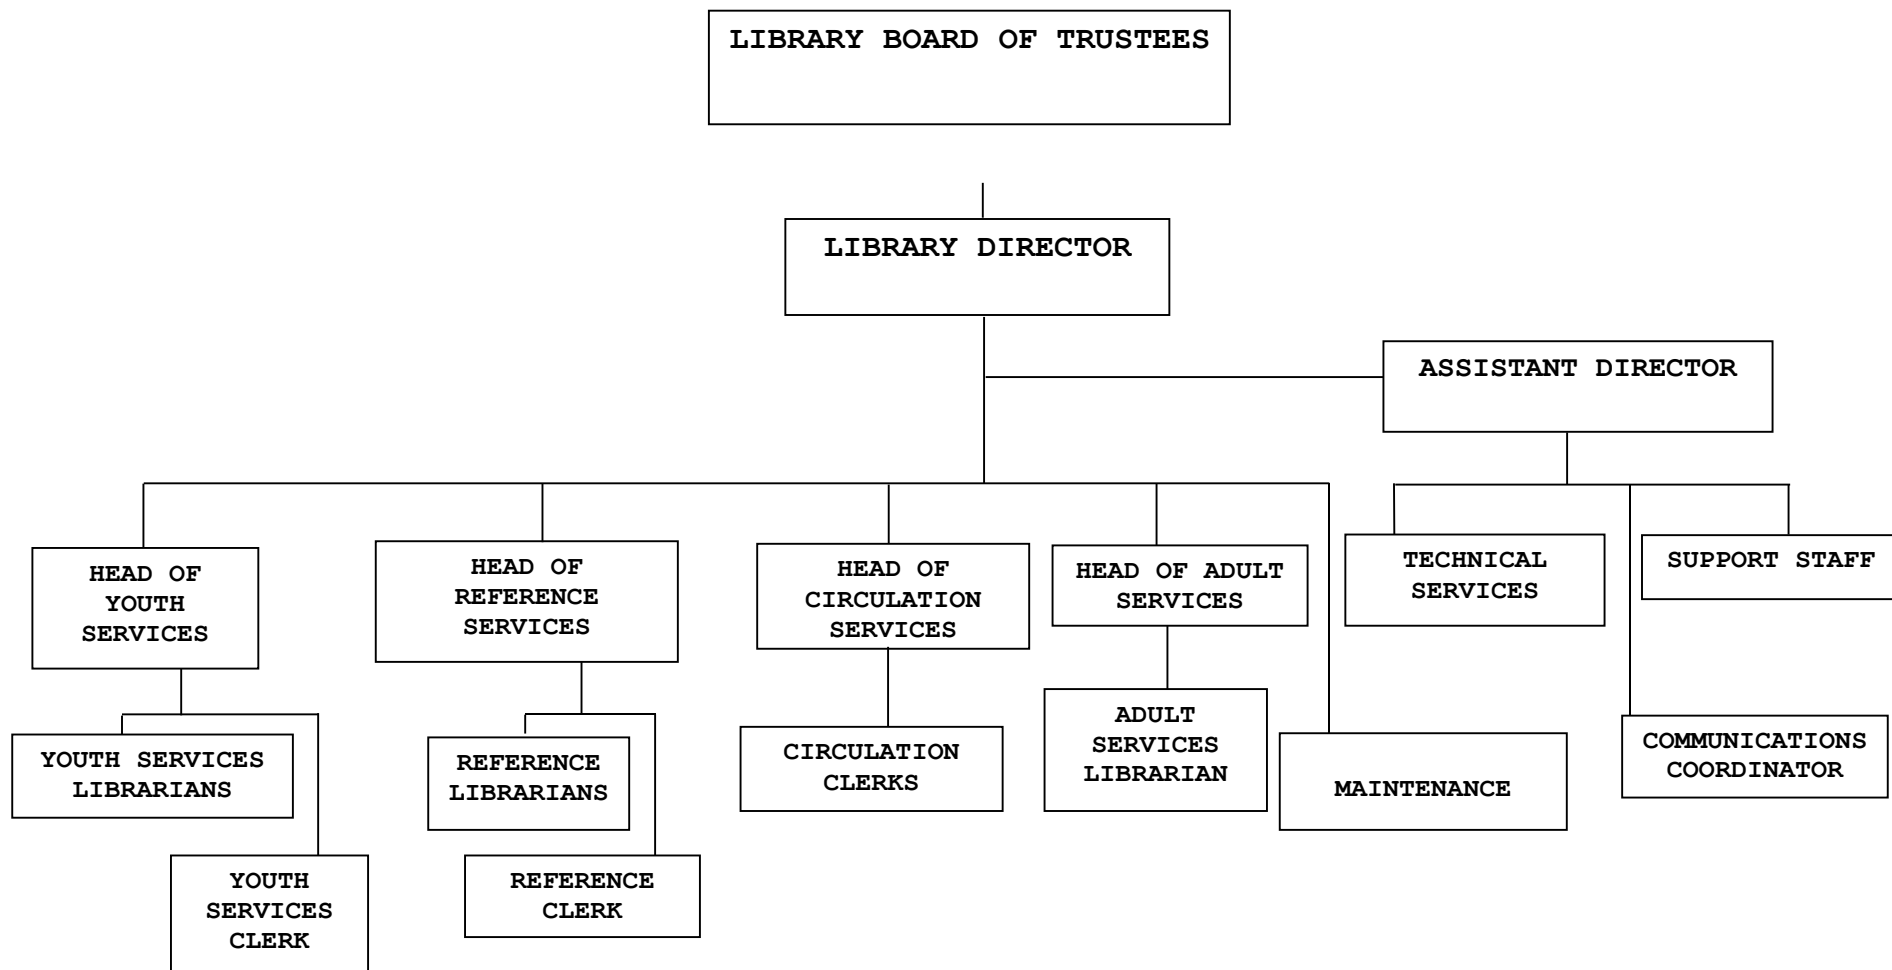

Monday through Thursday, 9:00 a.m. to 5:00 p.m.
and Friday, 9:00 a.m. to 5:00 p.m.
Coal City Public Library District, Administrative
Office, 85 N. Garfield Street, Coal City, IL 60416.

L. A denial will be provided in writing and include a "detailed factual basis for the application of any exemption claimed" and the names and titles of each person responsible for the denial. The denial will also provide notice of the requester's right to seek review of the denial by the PAC along with the PAC's address and phone number. The denial letter will also inform the requester of his or her right to seek judicial review under Section 11 of the Act. If the denial utilizes an exemption under Section 7, the notice of denial will specify the exemption claimed and the "specific reasons for the denial, including a detailed factual basis and citation to supporting legal authority."

III. Certain types of information maintained by the Library are exempt from inspection and copying. However, the following types or categories of records are maintained under Library control:

- A. Monthly Financial Statements
- B. Treasurer's Reports
- C. Budget and Appropriation Ordinances
- D. Levy Ordinances
- E. Annual Audits
- F. Minutes of the Board of Library Trustees
- G. Library Policies, including Materials Selection
- H. Adopted Ordinances and Resolutions of the Board
- I. Annual Reports to the Illinois State Library
